

Tips and FAQs

To buy the table or to not buy the table?

It is completely your choice if you'd like to purchase a table or not.

You know yourself and those you are inviting the best. We encourage you to do what feels comfortable to you. Table captains equally make the choice either way to purchase a table or invite their guests to purchase tickets.

If you have any questions or want to have a sounding board to make your decision, please contact Jill who will be happy to explore the options with you.

If you do purchase a table, Jill will contact you with special instructions on how to get your guests registration information.

The Table Captain expectations say: “Lead giving at your table by making a generous pledge yourself.” What does this mean?

We’re excited about the possibilities of what we can do together to support healing for more survivors and ensure that those who have suffered the impact of childhood sexual abuse can have a door opened for them to life-changing healing at Shepherd’s Counseling Services.

Everyone’s situation is different. Some options for making a generous gift could be choosing a gift amount of \$150, \$250, \$1,000, \$2,500, \$5,000, \$10,000 or a recurring monthly gift or \$25/month, \$50/month, \$100/month or more.

We see our Fall Luncheon as a true celebration of healing and this good-hearted community of compassionate people coming together to bring healing to as many people as we can!

Leading giving opens the door to healing and can help to inspire others to invest in bringing the greatest support for healing to help survivors find a new beginning.

What is the 11:15am Table Captain orientation for on the day of the event?

At this meeting, we'll go over instructions and provide you with all the materials for handing out donation information to your guests, provide you with some materials to make it easy to thank your guests, and provide any other logistical details.

This helps all table captains to know what to do when the time comes and have any questions answered in advance.

It's also a great opportunity to meet and greet Shepherd's staff and the other table captains.

Please feel free to contact Jill any time at 206.321.2684 or jill@shepherdstherapy.org. Thank you!
